

UPDATED NOTICE OF A PROPOSAL

By Northland Power to Engage in a Renewable Energy Project

AND UPDATED NOTICE OF PUBLIC MEETING

Project Name: Long Lake Solar Project

Project Applicant: Northland Power Solar Long Lake L.P.

Project Location: The Project is located on Lot 2 and 3 Concession 8, Calder, northwest of the Town of Cochrane.

Dated at the unorganized Township of Calder this the 23rd of June, 2011

Northland Power is planning to engage in a renewable energy Project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of Environment.

This Public Meeting is being held to provide information on the proposed Project. A new date has been scheduled for the Public Meeting. The Public Meeting is to be an open house format.

Meeting Location:

Date: Wednesday July 27, 2011

Time: 5:00 pm to 7:00 pm

Place: Hunta Mennonite Church, Lot 28, Concession 6, Hunta, Ontario

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW. The Project location is shown in the map below.

The Draft Project Description Report, titled *Project Description Report Northland Power Solar Long Lake*, describes the Project as a solar electric generating facility that will utilize photovoltaic (PV) panels installed on fixed racking structures. DC electricity generated from the PV panels is converted to AC electricity by an inverter. The voltage level of the AC electricity produced by the inverter is stepped-up to distribution level voltages by a series of transformers. Written copies of the updated Draft Project Description Report are available for public inspection at www.northlandpower.ca/longlake, and at the Driftwood Truck Stop (intersection of Highway 655 and Highway 11) Driftwood, Ontario, on June 27, 2011.
