

NOTICE OF A PROPOSAL By Northland Power to Engage in a Renewable Energy Project AND NOTICE OF PUBLIC MEETING

Project Name: Long Lake Solar Project

Project Applicant: Northland Power Solar Long Lake L.P.

Project Location: The Project is located on Lot 2 and 3 Concession 8, Calder, northwest of the Town of Cochrane.

Dated at the unorganized Township of Calder this the 24th of May, 2012

Northland Power is planning to engage in a renewable energy Project in respect of which the issuance of a renewable energy approval is required. The proposal to engage in the Project and the Project itself are subject to the provisions of the Environmental Protection Act (Act) Part V.0.1 and Ontario Regulation 359/09 (Regulation). This notice must be distributed in accordance with section 15 of the Regulation prior to an application being submitted and assessed for completeness by the Ministry of Environment.

This Public Meeting is being held to provide information on the proposed Project. The Public Meeting is to be an open house format.

Meeting Location:

Date: Tuesday August 21, 2012

Time: 4:30 pm to 6:30 pm

Place: Hunta Mennonite Church, Lot 28, Concession 6, Hunta, Ontario

Project Description:

Pursuant to the Act and Regulation, the facility, in respect of which this Project is to be engaged in, is a Class 3 Solar Facility. If approved, this facility would have a total maximum name plate capacity of 10 MW. The Project location is shown in the map below.

The Draft Project Description Report, titled *Project Description Report Northland Power Solar Long Lake*, describes the Project as a solar electric generating facility that will utilize photovoltaic (PV) panels installed on fixed racking structures. DC electricity generated from the PV panels is converted to AC electricity by an inverter. The voltage level of the AC electricity produced by the inverter is stepped-up to distribution level voltages by a series of transformers. A written copy of the Draft Project Description Report was made available for public inspection on June 27, 2011 at northlandpower.ca/longlake and at the Driftwood Truck Stop (intersection of Highway 655 and Highway 11) Driftwood, Ontario. Further, the applicant has obtained or prepared, as the case may be, supporting documents in order to comply with the requirements of the Act and Regulation. Written copies of the draft supporting documents will be made available for public inspection on June 21, 2012 at the Hunta Mennonite Church, please contact Robert Landis at (705) 272-6306 or northlandpower.ca/longlake.
